CHEMICAL DEPENDENCY EDUCATION AND RÉHABILITATION PROGRAM (CDERP)

The program is available for any employee with a chemical dependency problem who agrees to participate in the mutually accepted conditions of this structured chemical dependency rehabilitation program.

CRITICAL INCIDENT STRESS MANAGEMENT PROGRAM (CISM)

Peers are trained to « normalize » an abnormal situation where an incident has sufficient emotional power to cause an employee a strong and sometimes overwhelming reaction.

LIGHT THE WAY – PEER SUPPORT FOR HEALTHY MINDS

Those who look to *Light the Way* for help are tapping into the support and understanding of people who have experienced a similar mental health challenge – either personally or through a loved one.

SUMMARY

- › Measured success since implementation of mental health strategy in 2010
- › Important to continue our efforts in the well-being of our employees
- › Strategy to focus on total health of employees
